

Technical rider: Qui vive!

Set up : 4 hours

Clean up : 1h30

Zététique Théâtre

Dance/theater play
From 2.5 to 6 years old
40 minutes
Audience: 100 max

STAGE

Stage size: 8m width x 6m depth x 3.5 m height.

Tiers, parquet floor, black dancecarpet, box masking and occultation are absolutely necessary.
(Eventually, tiers could be composed with different levels of carpets, pillows, benches, chairs)

LIGHT

Please refer to our lighting plan.

- ✗ 15 electrical wiring 2kW min + the audience (with dimmer switch in the technical room).
- ✗ 17 prism-convex spotlights (PC) 1000w + 16 barndoors.
- ✗ Two PAR 64 CP61 on tripod stand.

The company brings a lighting board.

In order to prepare the lighting before our arrival, we need to discuss:

- ✗ The height of the grid.
- ✗ The position of the video projectors.

Before our arrival, spotlights should be already rigged according to the lighting plan and colour gels should be prepared.

VIDEO

The company brings one computer and two video projectors.

SOUND

- ✗ Stereo speakers on each side of the stage.
- ✗ 1 sound console with an input for the computer (on extern sound card).

The company brings 1 laptop with « scarlett » sound card.

SET UP

We ask at least 1 technician to stay during the complete set-up. This technician has to be qualified in light and sound technics and must know about the theatre place and its equipment.

For the unloading, set up, strike, loading, one more technician is needed.

We also ask a person in charge of people's security to stay during entrance and exit of the audience and during the performance.

We need an access to the theater, stage and dressing room at least 2 hours before the performance.

The stage must be cleaned every day.

The dressing room has to be clean, with hot water and a mirror.

Thank you and see you soon !
